LED's - The Benefits

LED's offer minimum of 7-8 years "fit & forget" life.

LED's current consumption is significantly less than that of a tungsten filament lamp.

LED's are covered by BMAC's standard 3 year warranty.

LED's offer greatly reduced maintenance costs compared with tungsten filament lamps.

Design Features

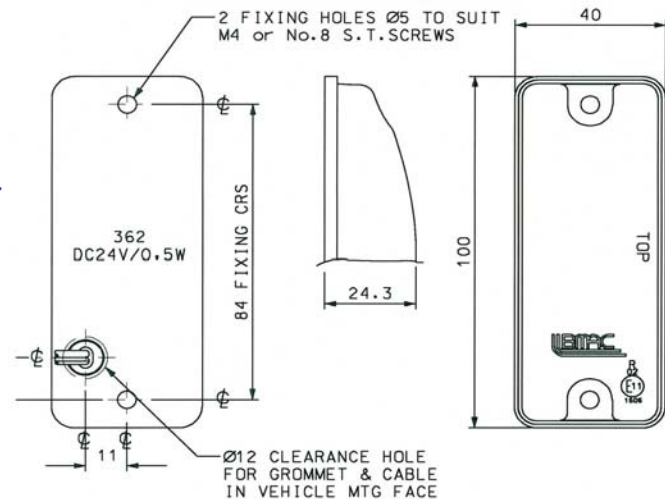

Completely sealed Unit

Vertical or horizontal surface mounting

Standard 84mm fixing centres for ease of retro-fitting.

Reverse polarity protection.

"Washer friendly" profile to lens cover to provide efficient cleaning effect from vehicle washing equipment.
