

Subject :

### BMAC 343 Series Non-LED Rear Lighting

Date of Issue  
01/06/2004

#### Design Features

Combined rear light unit incorporating rear light, stop light, direction indicator, reverse light and rear fog light together with a reflex reflector.

Silver or Black anodised heavy gauge aluminium bezel and polypropylene base - extremely strong and durable.

Bezel and base hinged together and held by quick release fasteners providing rapid access for replacement of lenses and bulbs.

#### PCB Wiring

Single Contact Versions available.
